GUEST SKATER

PULSE SYNCHRO STAR 4 TEAM

MUSIC: The Pink Panther

The Star 4 Pre Juvenile team is composed of skaters aged 9 to 12, who travel from various clubs throughout the Simcoe region to join PULSE Synchro. This diverse group brings together young athletes who are passionate about synchronized skating and eager to develop their skills as part of a team. This young team performed well in each of their competitions this season. Every time they stepped on the ice, skating better than before which was evident in their results. The highlight of their season was bringing home a bronze medal from the Kingston competition. As a new team, their dedication and positive attitudes have consistently impressed their coaches, serving as a strong foundation for future growth and success.

We hope you enjoy their "Pink Panther" routine, which centres on the quest for the elusive pink diamond.
