**GUEST SKATER**

**PULSE SYNCHRO STAR 8 TEAM**

**MUSIC:** Good Omens

**Our Star 8 Pre Novice team** established three years ago in Wasaga Beach has since developed a strong foundation in the discipline of synchronized skating. Skaters travel from Orilla, Collingwood, Stayner and Wasaga Beach twice per week to train with each other.

The team will present a unique program themed around the classic battle of good versus evil. Drawing inspiration from the Ctrl+Alt+Del metaphor, their performance focuses on controlling emotions, altering perspectives, and deleting negativity, ultimately highlighting the triumph of good over evil.

Our teams would like to thank the Elmvale Skating Club for the opportunity to showcase our programs at their annual carnival.
