# STARSKATE

The STAR 1-5 program is a curriculum designed by Skate Canada for targeting athletes looking for a future in the sport.

All Athletes currently in the program are working through the program to learn the basic figure skating elements to create the foundation for singles, pairs, ice dance and synchronized skating.

All skaters in this program must have passed CanSkate Stage 6 or equivalent.

# CAN SKATE ADVANCED

Can Skate Advanced is designed for skaters who have previously participated in approximately 2-3 Can Skate sessions and are close to successfully completing all Can Skate requirements. In this session, skaters will work towards completing their Can Skate requirements in order to move to the Star Skate sessions.
