10:30 - 10:35

**MUSIC:** Guys and Dolls Themed

Recognizing the importance of early engagement in synchronized skating, Pulse Synchro introduced the Star 4 team. These young skaters, in addition to their regular skating lessons, train 1.5 hours per week. This team discipline in figure skating offers them a unique opportunity to experience the camaraderie and collaborative spirit that defines synchro skating. The atmosphere of teamwork and mutual support is palpable, and the young skaters thrive in this environment, honing their skills and building lasting friendships
